CITY COUNCIL TO DENY OUTSIDE WATER; RAISE IN RATES VIRTUALLY ASSURED

Around • Town •

BY THE TOWNSMAN

LIKES NEW JOB

A. J. Reeder, whe became manager of the Liberty Groves, Inc., as of June 1, reports that he is definitely enjoying his new position. He succeeded Luther Davis, who resigned recently, to go into business for himself.

In charge of the upper district for the San Antonio Water Co., for the past six years, Mr. Reeder is also fire chief for San Antonio Heights and has been active in civic and community affairs "up on the hill."

Mr. Reeder said that his relationship with the water company has always been very cordial, particularly with the board of directors and A. C. Reynolds, who retired recently as manager.

"They were a swell bunch of fellows to work for," he declared, "but I feel that my next step was to accept this position."

NEW OWNER

Harry Morrison, who now owns the Foothill Market up in the Heights, told us yesterday that the former owners, E. T. Miners, are really covering a lot of ground visiting in the east. The last they were heard from a week ago, they were in Washington, D. C.

SOME HOPE

Lew Fuller, recreational director, reports there's a good chance that the wiring will arrive in time so that the lights at the new ball diamond will be in running order by the middle of next week. However, that's just a hope and Lew is trying awful hard to make it come true.

REMINDER

Just in case anybody missed the story Wednesday, we have some Fourth of July tickets in the Upland News office. A big day and night celebration is planned not only in observance of Independence Day but to officially open Upland's new park as well. All proceeds are going to the Upland Health Center.

NOTE PASSER

Councilman John Meek, who is well-known for his gridiron achievements, now has added other laurels to his already famous name. Last night at the council meeting he "stole the show" by being acclaimed as the champion "note passer" of the evening. We never did get a chance to see what the note said but it seemed to amuse both Councilman Paul Hottel and City Clerk Hazel M. Cassell.

LEGAL MIND

City Attorney Henry Busch got back at Mayor Eugene G. Nisbet for the latter's humorous comments on law and lawyers. Speaking on the matter of a bond, Mr. Busch, handing over the paper to the mayor, said, "and it doesn't take a legal mind (to see it) either."

PERFECT SHAPE

A host of Rotarians and a sprinkling of Lions (you just can't keep those guys away, they're like flies) went through the paces again yesterday at the Upland Junior High school diamond in preparation for "battle of the century" at the park on Fourth of July.

Home runs were hit by the dozens but there wasn't anybody young enough there who had the wind to run around the bases, so most of them settled for a triple. A few lumbered into second base and collapsed right there. After sufficient first aid by the fire department, all of them recovered and no serious injuries were reported.

BIG GAME

The Rotarians go on a twice-a-week schedule beginning next week. They'll practice at the new ball diamond Monday at 5:30 p. m. and again on Thursday at the same time. They cordially request that the Lions try to find some other time and place. There's such a thing as this friendship stuff going too far, they think.

Incidentally, beginning Monday Joe Seitz will write brief articles on the Lions' point of view as far as the annual Fourth of July game goes. Some people seem to think we're slightly prejudiced in favor of Rotary, so we thought the best thing to do was to call in Joe for help. But can you imagine anybody thinking we didn't like the Lions . . . just because we wear a Rotary pin.

MORE COMMENTS

By the way, any other Lion or Rotarian, for that matter, having any comment to make on the coming game is welcome to send it to this department. We'll publish it, providing, of course, it's within reason. But remember, the shorter the better.

Delay Election For Annexation West Of City

With some of the opponents to the proposal in the audience, the Upland city council delayed calling an election last night on the proposed annexation of the property west of the city limits until the next meeting.

Acting on the advice of its city attorney, the council agreed to wait until another petition asking for inclusion into the city limits of all land now using city water is presented.

It was pointed out that by annexing now only the area in which majority of the residents favored becoming a part of Upland considerable expense and time would be saved. If the enexation of the larger area should be held and fail to pass another could not be held for another year.

The area in question is bounded by Baseline road on the north; Benson avenue on the east; Foothill boulevard on the south and Central avenue on the west.

Opposing annexation were William Springer, president of the West Consolidated Water Co. and the Mt. View Water Co., and Dewey Cable, manager of the Cable airport.

Mr. Springer, a former councilman, said that the two water companies owned 200 acres of land outside the city which was used only for flood control and water conservation. Many of the stockholders are "some of the

Upland Woman Wins Award

An unposed picture of her daughter, Gloria, won for Mrs. Elliott Bowman both the grand prize in the state division and the first prize in the housewives class in a contest conducted by Kalart.

Mrs. Bowman is the daughter-in-law of Mr. and Mrs. L. O. Bowman, 604 North Third avenue, and formerly resided in Upland. Gloria, the subject of the picture, attended the Upland Elementary school during the 1945-46 term.

Both Mr. and Mrs. Bowman are members of the Riverside Camera club and Mr. Bowman, who has been his wife's instructor in photographic art, has placed first in various club competitions and some of his pictures have been exhibited in Los Angeles. He began his photographic work while living in Upland.

FORGOT BILLFOLD

Eugene Is City of Whiskered Men, You're Sissy If You Use Razor

By VERNON V. PAINE
(Publisher, The Upland News)

EUGENE, Ore., June 20.—This is a city of whiskered men. In a few days the Oregon Trails pageant will be held here—and woe be unto the male man who uses the razor. A sissy sign goes on if the whiskers go off too soon.

Started in 1926, this pageant is held every third year. Plans are being made for a huge four-day celebration and this already crowded city will have thousands more people flocking here.

Not being a native I can still use the razor and not be embarrassed. I can't get a haircut, however, without being embarrassed. Of course, if I had paid for the haircut I would have avoided the embarrassment. Right now my billfold is some 14 miles from here, but I didn't discover that until the barber got through with me.

Oh, well, I'll try that trick on Speedy Jones or Spencer Smith sometime.

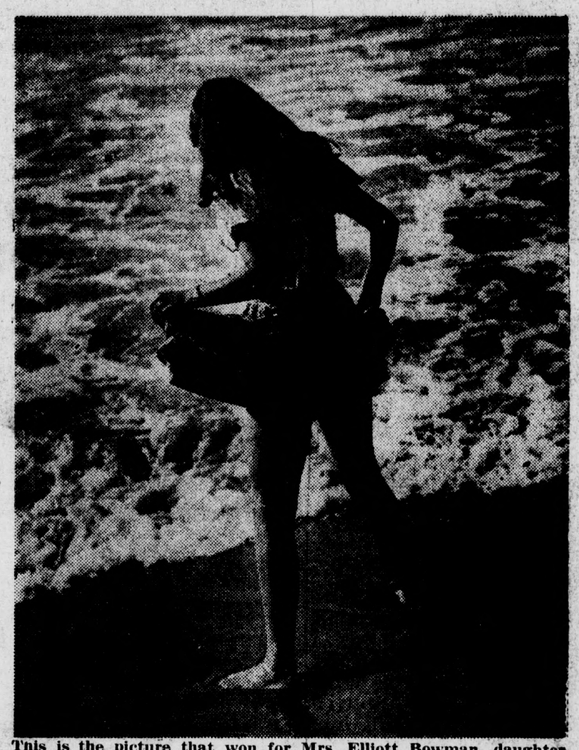

Rentals are in big demand here and all through Oregon, just like Southern California. The Eugene Register-Guard has 22 "Wanted to Rent" appeals in the classified page today.

There are more California cars than Oregon cars on the main highways. At a service station yesterday were two California cars, one from Ohio and one from Washington. The gas tax is six cents a gallon. These two-lane highways are far too narrow—or else there are too many out-of-state cars here.

Many Uplanders probably read that interesting novel "Party Line", by one-time Upland resident, Louise Baker. I spent an hour in a small community telephone office yesterday that had everything mentioned by her in

Summer Program Starts Monday

The summer play program for children of this community opens Monday and will continue five days per week from 9 a. m. until 3 p. m. each day through August 15.

Registration for the various activities of the program will be conducted Monday at the Upland Elementary school.

Registration for the nursery school, with Mrs. Ann Waggoner in charge, will be conducted from 9 a. m. to 11:45 a. m. Monday. Children from three to six years of age may be enrolled. A charge of 20 cents per day will be made for each child.

The swimming program has announced registration hours from 9:30 a. m .to 11:30 a. m. At that hour, youngsters may sign for the two-a-week classes being conducted at the Chaffey pool.

Crafts

Mrs. L. E. Van Antwerp will conduct the arts and crafts program, which includes leathercraft, plastic craft, costume jewelry and other crafts.

Organization of the drama class will be made Monday afternoon at 1 o'clock in the game room. Children of the fourth grade or older are eligible to enroll. Lillian Schaffer will be in charge.

Classes in folk dancing are also planned under the direction of Mrs. Lulu Relph.

Also set for one o'clock is registration for the Cub Scout program, Eligible boys can enroll in this program and continue the work they have been doing during the winter months. Recreation Director Lewis R. Fuller will be in charge.

Softball

Mr. Fuller will also have charge of the junior softball program for which teams are now being recruited. Players will be asked to sign up for competition in the league Monday.

In addition to the activities al-

Local Bars To Close Earlier

Upland bars will be required to close at midnight in spite of state legislation establishing a 2 a.m. closing hour.

This was agreed on by the Upland city council last night as it instructed the city attorney to draw up an ordinance maintaining the emergency 12 o'clock closing hour established during the war as a permanent law in the city.

Jack Banner, owner of "Jack's Place on North Second avenue, appeared before the council to request that the midnight deadline be retained in Upland.

Ask Merchants To List With Local Chamber

Seeking to meet the needs of the community, A. R. Morrison, secretary of the Upland Chamber of commerce, today urged all business firms in the city to register at the chamber office, 130 East Ninth street, as soon as possible.

Mr. Morrison said that manufacturers and distributors of old line as well as new products are now beginning to seek new outlets for their merchandise and contacting chambers of commerce for information.

The name of the business or firm, location, type of business and other pertinent data are desired by the chamber secretary so that "local merchants may be able to take advantage of whatever may come along."

He stated that regular business surveys are now being made by industrial research firms and that "from an advertising standpoint as well as a potential source of business, most local firms should make every effort to see that their names are included."

Lumber Yard In Cucamonga Burglarized

The Cucamonga Lumber Co. on Archibald avenue was burglarized Wednesday night by thieves who forced entrance by breaking a lock on the front door, and took an adding machine, a typewriter, about $300 in cash and more than $1000 in checks.

The crime bore a marked resemblance to the burglary here, Tuesday evening, of the Upland Concrete Products Co., 1337 Bowen street, police said.

In both instances entrance was gained by prying the lock off the front door. In both cases, also, office machines were taken, although no money was missing in the local robbery.

The money and checks were obtained, officers said, by breaking into the company safe.

Deputy Sheriff Ernest Mehl of the Cucamonga office, said this morning that investigation of the crime was continuing.

Movie Stars To Play Here

Stars of the radio and motion pictures world including Dick Powell, June Allyson and Frank Sinatra are scheduled to visit John Galvin park in the near future.

Business Manager Ralph Taylor of the Ontario Rockets has announced that a game with the Hollywood Screen stars and a team sponsored by Sinatra have been secured.

The Stars, sponsored by Columbia Pictures are booked for a game on Caturday evening, June 28, Taylor said. Mr. Powell and Miss Allyson, husband and wife in real life, will accompany the players.

The contest with Sinatra's club has been scheduled tentatively for Wednesday, July 2. It is understood that the famous crooner will accompany the team.

Merchants Holding No Fund Checks

Two local merchants reported to police yesterday they were holding non-sufficient fund checks issued by an Alta Loma resident.

Ralph Scott, Scott's Jewelry store proprietor and V. H. Ewing, manager of Walker's market, informed officers the checks were signed by George S. Marshbanks, and drawn on a Denver bank.

"Hardship Cases" To Be Considered Only If Existed Prior To June 19

Seeking to conserve Upland's water supply and at the same time encourage annextion to the city of outside areas, the Upland city council last night voted unanimously to deny all future outside water applications.

The councilmen also put on notice present users of city water outside the city limits by instructing its water committee to determine how much the water rates to outside users should be increased and report back at the next meeting. It is believed that a high enough rate will be established so that it would exceed the amount of taxes that these areas would pay if they came into the city.

Taking the action which it has long contemplated, the council, however, provided for future consideration of possible "hardship cases", each individual problem to be reviewed by the council as a whole.

The motion as made by Councilman John Meek and seconded by Councilman Ray Sherwood reads as follows:

"That all future outside water applications be denied except that the council may grant them where extreme hardship is established and such hardship to include:

(1) Laying of the foundation for a home.

(2) Drawing of plans and specifications.

(3) Made application for water.

And such hardship to have existed prior to June 19, 1947."

Going on record that it would refuse future applications for outside water had been expected since May 23, when the body temporarily suspended the granting of outside water permits, pending the establishment of a definite policy.

OTHER SERVICES

On the matter of higher water rates, Councilman Sherwood said that this would be one way of charging them for the many services that they get from the city. Councilman James Goodban concurred, stating that the expenses of city government have increased 50 per cent in the last few years and that outside areas should also bear some of the increased costs.

(Present rate for outside water is now $1.60 as compared to $1 in Upland).

Several who had purchased lots in San Antonio Heights for residence use were present at the meeting. They were told that they would have to plead their case individually under the new "hardship" clause of the council's new policy.

MUST COME IN

As a result of the action taken by the councilmen, anyone contemplating building a home or business outside of the city must first come into the Upland limits before he can receive water. All others will have their applications automatically denied.

In this connection Henry Busch, city attorney, in response to a question by Councilman Sherwood, said that under the new state law any area with 12 inhabitants or less may be taken into the city without election.

In the event that there are any protests, a public hearing would be held and if owners of the majority of the parcels represented in the district expressed opposition annexation proceedings would be dropped. Otherwise, the area could be taken into the city.

OFFER TO COME INTO THE CITY

The council's new policy to deny all future outside water applications apparently started paying off dividends last night.

H. S. Hoard, speaking for property owners who control 100 acres on Euclid Crescent East, San Antonio Heights, not only offered to come inside the city but voluntarily offered to help the cause along besides.

Appearing before the council last night, Mr. Hoard said that not only were they willing to become annexed to Upland but contribute as much as $2,000 for the construction of a booster plant to push the water flow up Twenty-fourth street, grant the city use of a 200,000 gallon reservoir and "contribute" a canyon with 70 sycamore trees for use as a park.

Mayor Eugene G. Nisbet appointed a committee consisting of Councilmen Ray Sherwood, John Meek to make a survey with the city manager of the probable cost and report back to the council at the next meeting.

Medical Building Seen In Ontario

With details of purchase of the site expected to be completed within the week, construction of a medical-dental building on Lemon avenue in Ontario was in prospect today.

Members of the Bethel Congregational church, owners of the proposed site, voted favorably on Wednesday evening on sale of the lots, which are located at the southwest corner of Lemon and F street.

The name of the prospective purchaser has not yet been made public. Details of the proposed structure will not be released, it is understood, until action on the purchase has been completed.

Police To Stop Bike Riding On Upland Streets

A drive against the riding of bicycles on Upland sidewalks was authorized last night by the Upland city council.

The chief of police was instructed to tell youngsters that bike riding on walks was endangering elderly people and that they use the road instead.

The council also asked that bicycles not be parked in doorways as they were a constant danger to other people.

Wayne Steffler Pledges Fraternity

More than 280 Colgate University students, including Wayne Steffler, Upland, pledged membership in the college's 14 social fraternities before college closed for the summer vacation. Steffler, son of Samuel P. Steffler, 809 San Ysidro drive, pledged Theta Chi.

Report Small Fire

A fire which occurred in a pile of lumber along Vernon drive west of San Antonio avenue was extinguished yesterday evening by the Upland fire department.

The blaze broke out after 5 p.m. Loss was reported small.

ROTARY INSTALLATION

What Will Happen Night of June 25? That's What Worries Retiring Prexy

There's a certain person around town who isn't just sure what's going to happen the night of June 25.

He's Robert Henderson, retiring president of the Upland Rotary club, and from all the talk you hear these days he has every reason to feel uneasy. You would, too, if you had an installation and debunking party to face, particularly if Toivo Stevens and Eugene L. Mueller are on the committee that's in charge of the whole thing.

The Rotarians who have a very unusual program of "tearing down" all planned aren't talkative about the whole thing but they promise something that has never been seen in the annals of the local club. They do promise one thing, however, that the president will spend a night that he fill long remember. Whether he will cherish it or wake up nights shuddering they won't say.

At any rate, its going to be a "big night" for all Rotarians and their ladies who are always invited to attend Rotary installations and other special events.

A very delightful dinner is planned but whether Mr. and Mrs. Henderson are going to enjoy it or not, nobody is willing to say. Everybody, of course, hopes they do, in spite of what may happen.

Two Outside Water Permits Granted

Two outside water permits were granted by the council following its new policy of denying water applications outside the city limits.

Both were considered "hardship cases" and believed to be justified appeals. One was issued to R. O. Wilson at Foreman street, and the other to Mrs. Charles L. Kloss in San Antonio Heights.

Hollifield-Carr Rites Read At Episcopal Church

In a ceremony conducted by the Rev. John A. Luther, rector, Phyllis Helene Carr, daughter of Mr. and Mrs. G. R. Carr, 455 East Seventh avenue, exchanged vows with Jesse Watson Hollifield, son of Mr. and Mrs. W. D. Hollifield, Centerfield, Alabama, at St. Mark's Episcopal church yesterday afternoon.

Given in marriage by her father, the bride wore a suit of white linen with light blue trim. She carried a pink and white colonial bouquet.

Attending her sister as matron of honor was Mrs. LeRoy J. Witters, who wore a light aqua jersey dress and carried a small bouquet of pink and white.

Mr. Witters served as best man with J. M. Maloney as usher.

A small reception for the family at the bride's home followed the ceremony and for the occasion the bride's mother was dressed in a light aqua crepe two-piece suit and the groom's mother chose a navy blue dress. Decorations for the reception followed the pink and white color scheme.

After a wedding trip to Lake Arrowhead, the couple will be at home at 913 North Cucamonga avenue, Ontario. Mr. Hollifield is employed as a carpenter. The new Mrs. Hollifield was graduated this June from Chaffey high school.

Out-of-town guests in attendance at the ceremony included Mrs. W. D. Hollifield, Mrs. W. O. Cottingham, Mr. and Mrs. R. L. Douglas and Mr. and Mrs. James Hardy.

Reception Fetes Geneva McQuatters

Parents Honor Former WAC With Party

Miss Geneva McQuatters, former WAC and director of legislation for the National Federation of Business and Professional Women's club, was honored last night with a reception in the Ontario Women's club house.

In the receiving line were Mrs. Sam Wickersham, Mrs. S. S. Howell and Mr. and Mrs. G. E. McQuatters. For the occasion Miss McQuatters wore a black formal with a corsage of orchids.

Speaking briefly to the group, she explained that her work in Washington was as an appointment to the staff of the National B. P. W. and consisted of keeping the organization informed of pending legislation and assisting representatives from various women's groups pool their work and were therefore able to be of greater aid to their own organization.

Mrs. Ruth Woodhams, president of the Ontario B.P.W., presented Miss McQuatters with a federation pin. Over 100 people attended and Miss Isadore Miller had charge of the guest book. Tea was served with Mrs. Woodhams and Mrs. Esther Close pouring.

Miss McQuatters, a former president of the Lois LeBaron Avery Toastmistress club, was a featured speaker during a radio program of the group over station KOCS, Ontario, on Wednesday.

She compared Ontario in 1942 and in 1947, bringing out the new responsibilities engendered by the city's rapid growth. She stressed the importance of the Toastmistress club in the development of a "vocal, informed citizenry."

Mrs. Lee Wire opened the program, which was heard over the air, by introducing the toastmistress for the evening, Mrs. Mary Powell. Miss Gretchen Lizer was evaluator for the two-minute speeches given by the members.

Those in attendance were the Mesdames J. J. Cox, T. L. Johnson, Frank Phillips, C. H. Walters, Marie Krime, Leslie Foster, James Squires, Esther H. Close, Helen Hickman, A. A. Anderson and A. Schmidt, and the Misses Verda Humphrey, Grace Maxwell, Nola Blue and Nettie L. Stutzman.

About People

Expected visitor at the John Belcher home, 221 East Eleventh street is Mrs. Belcher's mother, Mrs. John Guitar, Sr., from Abilene, Texas, and the former's sister, Mrs. Guy Witherspoon from Fort Worth, Texas. They will arrive Sunday and stay about two weeks. On Monday, a brother-in-law and sister of Mrs. Belcher's Mr. and Mrs. Kelly Polk, and their children, Jimmy, Ruth Ann and Janice Lee, will arrive from their home in Carlsbad, New Mexico. While the eastern visitors are in California they will also visit Mrs. Dennis Wood, another sister, in Los Angeles from Abilene, and Mrs. Belcher's daughter, Mrs. Ralph Murchison, 1961 San Bernardino road, Cucamonga.

Helen Davis, daughter of Mr. and Mrs. Ralph Davis, 759 East Ninth street, will spend a month's vacation visiting a friend, Barbara Stroh, in Fort Collins, Colorado. The two will probably return to Upland for a short stay here later in the summer.

Visiting with a group of Seminar students at the Claremont Graduate school, Mr. and Mrs. Bill Georgiades, 640 North Third avenue, spent Tuesday at Murray's Dude ranch near Victorville.

Mr. and Mrs. Jack W. Porter, Jr., left Tuesday morning on the Southern Pacific Daylight for San Francisco. After a brief visit with friends, they will leave for Oak Park, a suberb of Chicago, where Mrs. Porter's parents and twin sisters reside. Before leaving, Mr. Porter completed an eight months course in stenotype work at the Throne Business college in Pomona and he will continue his study in Chicago, later engaging in court and conference reporting. They have been making their home at 279 North First avenue with Mr. Porter's parents, Mr. and Mrs. J. W. Porter.

Visitors at the home of Mr. and Mrs. Ralph Davis, 759 East Ninth street, are Mr. Davis' brother and sister-in-law, Mr. and Mrs. Fred M. Davis, and their son, Clifford, from Miami, Florida. They will stay an indefinite period and will also visit a brother in Los Angeles, J. P. Davis.

Dorothy Jean Nielson, daughter of Mr. and Mrs. A. J. Nielson, 620 North Laurel avenue, is expected to return home Sunday, having completed her work as art teacher at Pasadena this term. She has enrolled in an art seminar at Scripps college for the summer.

Christensens Honor Daughter At Buffet Party

At a cock tail buffet in their Harbor Island home Wednesday, Mr. and Mrs. Otto Christensen, 249 West Fourteenth street, announced the engagement of their daughter, Ottocina, to Roy Hackney Person, son of Mr. and Mrs. Ray Person of Long Beach.

In the center of the buffet table a floral sailboat under full sail and displaying the initials of the young couple on the mainsail symbolized the announcement.

Miss Christensen is a graduate of Girls' Collegiate School at Claremont and a senior at Scripps college. Mr. Person, lieutenant in the Army Air Corps in the Pacific area during the war, will be graduated from Pomona college in February.

Some 50 friends of the couple heard the plans for an early August wedding.

Doris Jean Mathis, Robert Petre Exchange Vows in Ceremony At Little Cathedral of The Foothills

Doris Jean Mathis, daughter of Mr. and Mrs. Earl Mathis, 267 West Ninth street, became the bride of Robert Warren Petre, son of Mr. and Mrs. Leo Petre, 226 North Plum avenue, Ontario, in a ceremony performed at the Little Cathedral of the Foothills last night.

Officiating minister was Dr. Samuel Hughes, retiring pastor of the church.

Miss Avis Fishback, organist, played a medley of traditional love songs and accompanied Mrs. Marion Maxwell as she sang "I Love Thee" and "Yours Is My Heart Alone".

Given in the double ring ceremony by her father, the bride wore traditional white satin styled with a sweetheart neckline. Her fingertip veil was held in place with a crown of seed pearls. She carried white roses centered with an orchard.

Maid of honor was Eraleen Mathis, the bride's sister. She wore blue taffeta and carried pink gladioli and white larkspur with white larkspur forming a halo for her head. Bridesmaid Marjorie Hollingsworth wore pink taffeta with blue delphinium forming a halo. She carried white gladioli and blue delphinium.

Serving as best man was Robert Hardy, with Jack Williams and Kenneth Holpuch as ushers.

Flower girls, Karen Michael Burton and Jean Ann Orsburn, wore dresses of blue and pink net over taffeta. They carried a basket of rose petals.

Immediately following a reception was held in the Fellowship hall of the church. The bride's mother greeted guests in a flowered spring print, while the groom's mother wore black crepe. Both wore gardenia corsages.

Mrs. Roswald Burton cut the wedding cake and Mrs. Thomas Kirkland and Mrs. Robert Orsburn poured.

For a going-away costume, the bride chose a grey wool crepe with black accessories. Both Mr. and Mrs. Petre attended Chaffey college and Mr. Petre is planning to continue his education. For the present they will make their home in Upland.

Vogans Tell Daughter's Engagement

A family dinner and a party to which the bride-elect's school friends were invited revealed the engagement of Betty Vogan, daughter of Mr. and Mrs. W. P. Vogan, Ontario, to Ted Atwood, son of Mr. and Mrs. Glenn Atwood, 382 East Arrow highway.

The Vogans entertained members of the immediate families at a Sunday dinner at the Oxford Inn, Claremont. Mr. and Mrs. Glenn Atwood, Mr. and Mrs. Robert Atwood and daughter Judy, Mr. and Mrs. Perry Vogan, San Bernardino, brother and sister-in-law of the bride-elect, and Patty Vogan, her sister, bade up the party.

School friends of the bride who attended the informal gathering Monday evening at the Vogan home were Billie Roughton, Juanita Saylors, Shirley O'Neil, Genevieve Blessent, Ruth Davenport, Ruth Miller, Lois Kirk, Charlene Stone, Barbara King, Rosemary Val Perga and Janice Fleming. Other guests were Mrs. Francis Rowlands, Patty Vogan and Mrs. Glenn Atwood.

Forty years is a long time and Mrs. Joseph A. Nelson, 132 West Eighth street, will probably be the first to agree. A recent visitor in the Nelson home was a friend of Mrs. Nelson's, Miss Anna Hansen, whom she hadn't seen for 40 years. After a two weeks' visit, Miss Hansen returned to her home where she has lived during the 40 years.

In the spring some people's fancies turn to state and county picnics if for no other reason than to match relatives. Notice of two such picnics arrived here the other day and we were asked to pass the information on to you. The first, a gathering for former Michigan residents, will be held Sunday at Bixby Park, Long Beach, with coffee, ice cream, cold drinks and hot dogs available. The second is for former Decatur county, Iowa, residents, and will be held at McArthur park in Los Angeles. Sounds like fun. M.L.Y.

Dear Friends,

Perhaps you noticed that we didn't say, "Dear Customers," and we did that because most of our customers become our friends. Almost every day someone comes in and after looking around exclaims, "My, I had no idea that your store was so large and that you had such a fine selection of furniture!"

Naturally, we start to swell up with pride and then all at once the thought strikes us that many people have just looked at the outside of our store and have never been in to see us.

So this is your invitation to come and visit us. If you wish to browse around by yourself you are welcome to do so, but if you wish our help, we will be more than pleased to serve you.

Sincerely,

House Overrides Truman Veto of Taft-Hartley Labor Bill

See Showdown By Congress, White House

WASHINGTON, June 20. (AP) —President Truman vetoed today the Taft-Hartley bill to curb labor unions and an aroused House swiftly and overwhelmingly passed it over the veto.

That put it up to the Senate to clinch the decision on whether the bill is to become law over the President's disapproval. It will vote late today or possibly tomorrow.

The Senate is expected generally to override the veto, but both sides concede the vote will be close.

In his big battle with Congress over the issue, Mr. Truman called in a group of leading Democratic Senators for a White House luncheon — presumably to talk over the veto. He also announced plans to go on the radio tonight and give the people directly his arguments against the bill. He will speak over all networks at 6 p. m. (PST.).

Senator Taft (R.-Ohio), one of the measure's sponsors and chairman of the Senate Republican policy committee, arranged to follow Mr. Truman at 6:45 p. m. with his side. He will speak over MBS.

32 Points

In a 5,500 word message to the House, Mr. Truman laid down four general and 32 specific points of opposition to the bill to check strikes and unions. He labelled it "unfair" and "unworkable". He said it would promote strikes.

The House listened while a clerk droned through the long message. Then came the vote which smothered the veto under a deluge of both Republican and Democratic votes.

That action did this:

1. Propeller the labor issue directly into the 1948 political campaign.

2. Erased whatever vestiges may have remained of White House-Congress teamwork on domestic affairs.

Carroll Reece, Republican national chairman, called the veto a "plain defiance of the will of the American people" and an "open bid for a fifth term for the new deal".

Gives Reasons

Mr. Truman summed up his displeasure of the labor bill in five terse sentences:

"The bill taken as a whole would reverse the basic direction of our national labor policy, inject the government into private economic affairs on an unprecedented scale, and conflict with important principles of our democratic society.

"Its provisions would cause more strikes, not fewer.

"It would contribute neither to industrial peace not to economic stability and progress.

"It would be a dangerous stride in the direction of a totally managed economy.

"It contains seeds of discord which would plague this nation for years to come."

Play Program Opens Monday

(Continued from Page 1)

ready mentioned, facilities for table games such as chess, checkers, dominos, ping-pong and the like are being secured. Every effort will be made to secure those games which are in demand by the children, Mr. Fuller said.

A picnic lunch is to be held on the school grounds each noon when the program is in session. Children are invited to bring their lunches and eat there, Mr. Fuller asserted. Members of the recreation staff will remain with the children during that period, he said.

Clubs Compete In Ticket Sales

The rivalry between the Upland Lions and Rotarians is not going to be limited to the baseball diamond, apparently.

Robert Thrall, chairman of ticket sales for the Fourth of July celebration and official opening of Upland's new park, disclosed today that the two clubs would compete on the number of tickets sold for the event.

While he would not say what the reward for the winner would be, he did say that a suitable prize would be awarded.

Tickets for the Fourth celebration may be purchased from Rotary or Lions members or the office of The Upland News.

MAJOR PROVISIONS OF LABOR BILL PASSED BY HOUSE OVER TRUMAN VETO

Here are the major provisions of the bill:

1. Let the government get court orders to block "national calamity" strikes, as in the coal or steel industries, during 80 days of mediation.

2. Forbid the closed shop, in which the boss can hire only union help.

3. Ban various kinds of special strikes and boycotts.

4. Permit court suits against unions that break contracts.

5. Deny collective bargaining rights to any union having as an officer a Communist or sympathizer, or anyone who could "reasonably be regarded as one".

6. Make it an unfair labor practice, which could be stopper by a court order, for a union to keep non-striking workers from their jobs by mass or violent picketing.

7. Forbid "excessive or discriminatory" union dues and initiation fees.

PRESIDENT CONFERS

Senators After Luncheon Meeting With Truman May "Reconsider"

WASHINGTON, June 20 (AP) President Truman, bidding for Senate votes to uphold his labor bill veto, had 13 senators to a White House luncheon today and urged them to read "very carefully" his message disapproving the legislation.

Senator Russell (D-Ga), one of those who attended the luncheon, gave reporters afterwards a report on what the President told them.

He said there was no indication in Mr. Truman's presence as to whether any of the Senators present would change their votes to support the veto.

Eleven of the 13 senators who attended voted for the Taft-Hartley labor bill, which the President in a message to Congress said would "go far toward destroying our national unity."

"The president told us he believes the bill is completely unworkable," Russell said, "and he was really sincere about it."

"He asked us all to read or reread the message very carefully and give it very careful consideration."

Russell said Senator Barkley (Ky), the Democratic leader, told the President he had made a reasonable request.

Asked whether he had decided to switch his vote and ballot to sustain the veto, Russell replied that he was going to read Mr. Truman's message again.

He said he would vote to override unless a second reading convinced him he should abandon this course.

Barkley voted against the bill when it was originally before the Senate.

Ensign McMasters Returns To U. S.

Ens. Ronald D. McMasters, son of Mr. and Mrs. H. E. McMasters, Upland, has returned to the United States aboard the aircraft carrier USS Leyte, after an extensive tour of the Mediterranean area.

While on the cruise, the Leyte visited Istanbul, Turkey; Souda Bay, Crete; Alexandria, Egypt; Naples and Gibralter.

Highlight of the cruise was a visit to the ship by the president of Turkey.

McNay Services At Riverside

Final rites for Elder George R. E. McNay, pastor of the First Seventh Day Adventist church, will be conducted in Riverside tomorrow afternoon, 2 o'clock.

Services are to be held at the Riverside Seventh Day Adventist church, where Elder McNay was pastor during the time the present church edifice was erected.

Elder H. H. Hicks, president of the Southeast California Conference of Seventh Day Adventist churches will officiate at the rites with following interment at the Montecito mausoleum, Loma Linda.

Survivors include his wife, Cora; two daughters, Mrs. Norman E. Marsh, San Bernardino, and Mrs. Edward R. Powell, Fallbrook; and a brother, Dr. Oscar McNay, Ordway, Colo.

Road Bill To Be Decided In Few Days

SACRAMENTO, June 20 (AP)—Highway legislation neared the showdown stage today in the legislature today as the Burns road development bill was returned to the assembly by the senate after adoption of amendments including increasing the gasoline and Diesel fuel tax boost from 1 cent to 1½ cents a gallon.

The measure received the senate's approval by a 33 to 1 vote, with only Senator Jack B. Tenney (R) Los Angeles, dissenting.

Other changes made in the upper house increase the tax levies upon the heavier trucks to up the total proposed revenues from this industry from $17,500,000 to $23,000,000 a year to aid in the financing of the projected 10 year road modernization plan.

Although noon today was the hour officially set for adjournment of the fifty-seventh regular session, congested calendars in both houses made it appear clocks would have to be stopped and work continued for a day or two, perhaps until Monday.

No time has yet been set for the ending of the special highway session called by Governor Warren last January to enact "an adequate" highway program but only passage or defeat of the road bill remains to be achieved.

Hold Services For Victim Of Accident

Funeral services for Grady Homer Wilkins, 19, son of Mr. and Mrs. John O. Wilkins, 468 North Second avenue, one of the three persons killed last Saturday night in an Ontario auto accident, were conducted yesterday at the Stone mortuary here.

Mrs. Marion Maxwell was vocal soloist at the service which was conducted by Rev. R. Merrill Jensen of the First Baptist church of Ontario.

Interment was at Pomona cemetery.

Rent Bill Next Puzzler

WASHINGTON, June 20 (AP)—President Truman, the labor bill off his chest, faces a new puzzler today—whether to let rent controls run out this month or sign an extension bill roundly denounced by his housing aides.

The Senate completed Congressional action late yesterday on the measure extending rent control through next February 15, with a provision that ceilings can be lifted as much as 15 per cent if landlords and tenants agree on a lease running past Dec. 31, 1948.

The bill also knocks out all construction curbs except in the case of recreational type buildings, such as theatres and bowling alleys.

It was this provision which prompted housing expediter Frank R. Creedon to declare last weekend that enactment of the measure might wreck the housing program.

WASHINGTON, June 20 (AP)—President Truman today accepted an invitation to visit Brazil soon.

TOP GOLFERS LOSE MATCHES

DETROIT, June 20. (AP)—Three of the top men in professional golf were knockout victims today in the first round of the 29th Professional Golfers Association championship as Ben Hogan, Bobby Locke and Jimmy Demaret were beaten in the 18-hole "sudden death" match play tests.

Locke, the South African winner of five out of seven tournaments since he has been in the United States, lost by one hole to Henry Ransom, a Texan, who plays from Ravinia, Ill.

Demaret, the medalist and leading money winner of the pro season, followed them into defeat, losing 2 and 1 to Earl Martin of Inglewood, Calif.

SAN LOUIS OBISPO, June 20 (AP)—Universal military training is necessary to prepare the youth of the United States "if mobilization is again necessary," says State Commander Lloyd F. Olesson of the Disabled American Veterans.

Bevin Against Any Delays

LONDON, June 20. (AP)—British Foreign Secretary Ernest Bevin vows that in launching a cooperative effort for European economic recovery under the Marshall plan he intends to brook no delays such as those which stymied the recent foreign ministers conference in Moscow.

Eagerly awaiting a response from Russia to a joint British-French request that the Soviet Union participate in drafting an aid-to-Europe program, Bevin declared in the House of Commons last night that "the guiding principle I shall follow in any talks I have on this matter will be speed".

"I spent six weeks in Moscow trying to get a settlement," he asserted. "I shall not be a party to holding up the economic recovery of Europe by the mess of procedure, terms or reference or all the paraphernalia which may go with it."

Details of Comdr. Little Trial Should Be Brought To Light Immediately

After a 97-day trial, all of which was secret, Lt. Cmdr. Edward N. Little, accused of mistreating fellow-Americans while acting as company commander in a Japanese prison camp, has been cleared by a navy court martial board.

What the actual facts in the case are we have, or course, no way of knowing since the navy took it upon itself to keep the entire proceedings from the public. The reason given was that Comdr. Little had requested it, which is just about the poorest excuse we've heard in a long time. We have memories of court martials of enlisted men for less offenses and of how all the details were luridly printed in certain newspapers that thrive on that type of news. Yet, when an officer, who has been entrusted with greater responsibility by the people who make his commission possible, he is "spared" the public scrutiny.

Senator Kilgore (D.-W. Va.) speaks the minds of most fair-minded people when he asks for a "complete Congressional investigation of entire army and navy court martial system". Comdr. Little's acquittal under "star chamber" conditions is another example of why such an investigation has been long overdue.

"Voice of America," Whose Voice Will It Take To Other Nations?

In spite of stiff Congressional opposition, the administration in Washington, particularly the State department, has insisted on the retention of short wave broadcasts known as "Voice of America."

Proponents claim that the purpose of these broadcasts is to "pierce" the "iron curtain" in Russia and other foreign countries and bring to their people the "truth" about America and Americans.

While this might sound like a legitimate proposal on the surface, its implications are hidden and could eventually place in the hands of the national government a weapon that the constitution never intended for it to have.

Kent Cooper, president of the Associated Press, and an outstanding newspaperman, in commenting on the government delving into the realm of propaganda has this to say:

". . . the control of a government news agency, especially one proclaiming itself as the 'Voice' of the country, offers real peril. In German propaganda, no less a figure than Goebbels was the voice of the Nazis and no less a figure than Gayda spoke for the Italian fascists."

In this, we believe, lies the real danger. Every administration, regardless of party affiliation, will have the temptation to hoist its own principles upon the people of other countries, whether the majority of the American people are in favor of them or not.

United States newspapers and radio stations better reflect the contrasting views and opinions in the nation. Broadcasting of current radio programs by short wave abroad and working out an agreement by which press freedom would be universal everywhere seems to us a better solution.

There is always danger in placing in the hands of any government the power of the press. It properly belongs to the people where it has always been in this country for more than 170 years.

Mackenzie's Column

By DeWitt Mackenzie

Investigation of ownership and control of the British press by England's socialist regime is giving rise to uneasy speculation abroad as to whether this indicates the development of a further leftist tendency by the government.

DeWitt Mackenzie

Of course there's nothing in an ordinary inquiry into the operation and financial structure of the press which should cause disquietude. An honest press has nothing to conceal. However, the launching of the present high-powered survey was preceded by much pressure from communists and fellow travelers who maintained—to quote the view of the London Communist Daily Worker— that "the press today is a menace to democratic methods of government." The paper advocated "adequate reforms" which, though not specified, obviously would mean following the communistic method of placing the press under strict government regimentation.

Thus this investigation is likely to provide us with a test case of how far British Socialism is going to carry its program of nationalization which, ipso facto, tends towards totalitarianism.

Prime Minister Attlee's government has declared itself against communism and totalitarianism. Having talked with Mr. Attlee at length and having surveyed his government at close range, I am prepared to accept this as the honest conviction of his regime.

However, Mr. Attlee is performing a major experiment in socialism. He feels that he can make it work, but there certainly is the danger that it may blow up in his face unless he handles it with extreme caution. His task is to demonstrate that there can be socialism, with a degree of nationalization but without wholesale regimentation of the individual.

Clinic Ends For Summer

The child health clinic here last Friday will be the final one until September, Mrs. Helen Gilkey, public health nurse, announced today.

No clinics, she emphasized, will be held during July or August. On September 5, a clinic will be held at the administration building at Los Olivos.

On September 12, a clinic will be held at the new health room at 433 North Second avenue. Children between the ages of six months and six years may be brought to these clinics.

The resignation of Mrs. Clarice Taylor, county public health nurse in Cucamonga, Alta Loma, Etiwanda, Guasti and Mountain View has been announced. This district is to be split, and two new nurses engaged, to replace Mrs. Taylor.

RENT BILL EXPLAINED

Permanent Hotel Residents To Be First To Feel Effects of New Law

By JAMES MARLOW

WASHINGTON' — 'AP' — The new rent control bill shortly will go to President Truman. He's expected to sign it into law.

Taking for granted it will become law, this story explains it.

The present law dies June 30. The new one starts July 1. It ends Feb. 29, 1948.

The first to feel the effect of the new law will be the permanent residents of hotels. Their rent ceilings expire. Transients have no ceilings. About 550 areas are under rent controls. In each area the boss is the rent director, a government man.

Under the new law in each of those areas the state governor sets up a five-man board of local citizens.

In each area the board will really be rent boss. The area director must follow the board's recommendations.

The boards can wipe out all their area rent controls, keep them, or permit rent increases.

About the only thing the director can do on his own is permit individual landlords to raise rents when they're suffering hardship.

Under the new law:

Landlords no longer can be prosecuted criminally or sent to jail; area directors can't subpoena their books or records or investigate them; area directors no longer can sue them for triple damages.

A tenant still can sue a landlord for triple damages for overceiling rates and the area director still can get court injunctions to stop landlords from violating the law.

A landlord who wants to evict a tenant, for permitted reasons, can go straight to court and get an eviction notice.

But under the new law a landlord can't oust a tenant who pays his rent unless:

The tenant is immoral or a nuisance, or the landlord wants the property for his own use, or wants to remodel it or demolish it, or sell it to someone who wants to move in.

Under the new law a landlord can't evict a tenant just because he wants to rent to someone else.

Under the law new construction finished after Feb. 1, 1947 is exempt from rent ceilings.

Under the new law a landlord can boost his rent as much as 15 percent if:

1. He and his tenant agree to that in a lease and — 2. If the lease, signed after July 1, is to extend beyond Dec. 31,1948.

Driver Charged With Negligence In Crash Deaths

"Guilty of negligent driving" was the verdict returned against Earl S. Ferguson Wednesday afternoon by a coroner's jury which convened at Draper's mortuary in an all day inquest held to determine the manner in which the three victims of Ferguson's death car who died last Saturday in one of the worst traffic accidents in the city's history.

At the hearing conducted by Coroner E. P. Doyle, witnesses of the tragedy came forward to describe the automobile-motorcycle collision and the terrible aftermath to the first accident when Ferguson's car plowed through the group of bystanders.

Onlookers told of stopping to aid the two injured men after the first accident and stated their belief that Wilkins, driver of the motorcycle, would have survived but for the second crash.

Earlier in the day testimony offered by Police Chief Herbert Swinney and Officer Woodside tended to show that the car was traveling at an excessive rate of speed. Officer John E. Woodside testified that Ferguson admitted to him shortly after the crash that he had been going 56 to 60 miles per hour when he lost control of his car.

Witnesses who were seeking to flag down traffic during the few minutes after the first accident, related that they narrowly missed being struck themselves by the car as it hurtled into the throng of people.

Officer George Williams produced pictures of the accident taken by him at the scene.

Homer G. Wilkens, 20, 468 North Second avenue and Henry L. Henly and Donald R. Lane, Ontario residents, were killed in the accident and three other persons injured.

Ferguson was arraigned Tuesday morning in Ontario justice court on three counts of manslaughter by Judge Fred H. Jacobs, sitting for Judge George Imhoff who is on vacation.

Bail, which had not been posted today, was set at $5000. Preliminary examination will be on Thursday, June 26 at 2 p.m. The defendant will presumably enter a plea at that time.

To Close Motor Vehicle Office Here For Month

Examination for drivers licenses in Upland and Ontario will be discontinued from July 4 to August 19, Jack Campbell, drivers license examiner, announced today.

Persons who have applications pending completion in either the Upland or Ontario offices may finish the required tests in the Pomona office of the department of motor vehicles during the vacation period, he said.

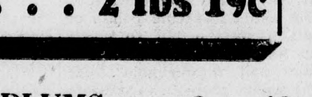

Service in this area will be resumed on regular schedule August 19 in Upland and August 20 in Ontario.

The Pomona, Riverside and San Bernardino offices of the department are open every day for registration of motor vehicles and for the issuance of drivers licenses.

Sport Slants

By BOB HOLT

The Ontario summer softball league managers, we think,, have a vote of thanks due them for the way they've chosen to cooperate with the Upland recreation program.

Not only did they agree to waive a league rule forbidding their teams to play in another circuit, but two outfits—Beers Brothers and Ontario Legion—volunteered to enter the local A loop, thereby increasing it to six clubs.

Had they turned thumbs down on the request of Director Lew Fuller for a waiver of the rules and regulations, there could have been no loop here this year.

As it is, four of the six clube—Upland Merchants, Van Fleets, and the two mentioned above—will compete in both programs, which should make for a well balanced circuit locally.

Who is going to win? We don't know. Haven't the slightest idea. Rumor has it that Lindy's Red Devils of Corona are tremendously powerful. The reputation of Van Fleets is well known, they're always strong. The Upland Merchants have a young, sharp team as has Paul Ynostroza with his Pirates.

The feeling seems to be that the Beers Brothers and Legion aggregations won't measure up to these four, but whether that's true or not is yet to be demonstrated.

In the B division, Shady Grove dairy, the Fleetmasters and the Junior Pirates are touted.

The Odd Fellows have been practicing since early spring and have won themselves some ball games. Chief Mueller's police nine have won some and lost some. They figure to be in there. Not much is known about the make up of the Upland Legion club, so we'll have to wait and see about them.

To those individuals, if any remain, who still regard softball as a sort of poor relation of baseball, we submit the case of Glenn Davis.

Indisputably the greatest athlete in the world today, Davis had compiled a .400 plus batting average with the West Point baseball team this spring. He is currently batting somewhere in the vicinity of .100 in the American night ball league.

Through Wednesday's struggles the fabulous Bonitan had rapped just one hit, a single, in three games in the league.

Which serves to underscore the patent fact that softball is an established game in its own right. and quite a different thing from its sister sport.

Not that anyone believes Davis will continue his hitless ways. One of these evenings, he's bound to find his softball batting eye and tear loose with a rampage of base hits. But it's interesting to note that even the great Glenn is having his troubles in making the shift.

Yep, the only thing soft about softball is its name.

Anent the same subject, we'd like to remind all and sundry that Davis's signing with the Pomona Pioneers was first reported in Don Benson's column in this newspaper.

When it comes to American Nightball loop doings, there's not much that escapes Donald.

SAN BERNARDINO, June 20 (AP)—Perry Grim won the 30-lap main event in the Orange Show stadium midget automobile races last night in a new stadium record time of 9 minutes, 1.83 seconds.

Orioles Tied For Lead In Sunset League Race

Open Series With Reno This Evening

With Jack Miller pitching his third win in 10 days, the Ontario Orioles last night whipped the Las Vegas Wranglers 5-1 at Galvin park.

The win gave the locals the series, two games to one, and put them in a three-way tie with Anaheim and Riverside for the league lead.

Tonight, Reagan's club will initiate a four-game stand against the Reno Silver Sox. Clarence Truehill is the Oriole mound nomination for thhe opener.

Ray Alderete, Ontario third-sacker, was the batting hero of last night's fray. His one-base poke in the fifth sent two runners across to clinch the contest.

Rex Jones, Wrangler right-hander pitched well, doling out seven base-knocks.

Tonight's pre-game festivities will be highlighted by the presentation to Jack Nixon of the Junior college "player of the year award", donated by the Helms foundation.

Meb Schroeder, Sunset league secretary and brother of Bill Schroeder, loop president, will make the presentation.

Fish and Game Briefs

SACRAMENTO, June 20 (AP)—The state fisn and game commission yesterday announced its "determinations of seasons" for Upland bird and big game hunting seasons of 1947.

The proposed seasons follow, conforming generally to suggestions from sportsmen's groups:

Deer: District 2, 2½, 2¼, 2¾, 3, 3½ (the coast range area) Aug. 7 to Sept. 15 inclusive. Districts 1, 1½, 1¾, 4, 4⅛, 4½, 4¾, 22, 23 and 25, Sept. 16 to Oct. 15 inclusive.

Pheasants: Nov. 21 to Nov. 30 inclusive. Eight per day, eight in possession, ten per season.

Quail: Nov. 21 to Dec. 31 inclusive. Eight per day, eight in possession, 16 per week.

Tree squirrel: Season open in district one only, Nov. 21 to Dec. 31, inclusive, two per day, two in possession, 12 per season.

Bear: Nov. 15 to Dec. 31 inclusive. One per day, one in possession, two per season. No trapping.

Pine Martin: Closed season in district 1½.

Muskrat: Closed season on the Colorado river.

Announce Lineup For Cougars

Another entry in the junior summer softball program, the Ellery Wright Cougars, was announced today.

The club, which is being sponsored by Mr. Wright, is managed by Clair T. Bowser. Players on the team include Myron Friesen, catcher; Norm Bowser, Dick Guertin and Pat Williams, infielders and Raymond Baker, Fred Fernandez and Les Guertin, outfielders.

Utility players include Dick Nesler, Marland Sefton, Mike Cruse and Billy Scinto. Del Maple will be bat boy.

Crucial Game Set Sunday For Merchants

Having taken a fall out of one unbeaten club, the Legion, last week, the Upland Merchants Sunday will be gunning for another top club when they meet the powerful Sage's Yankees at Perris Hill park.

The Yanks have won three while losing none in league play so far. Dick Pine, their flinging ace, shares loop pitching honors with Bill Abernathie of Colton. Both have won three while losing none.

Loop averages, released yesterday, reveal that B. H. Wolfe and Don Wagner of the locals top the circuit in doubles, each having two.

SUPER MARKSMAN

The 20-round rapid fire match record for .22 caliber pistols was shattered recently in Louisville, Ky., by Sgt. H. L. Benner. In fact, shatter is a mild word for the sergeant's performance. He eclipsed the old mark by 351 points. He also holds records at the Camp Perry, Ohio, national matches.

REPLAY OF CARDS-BOSOX SERIES SEEN POSSIBLE AS BOTH CLUBS MOVE UP

By The Associated Press

Baseball's dizzy pennant races are reverting to form as the clubs approach the one-third mark with another Boston Red Sox- St. Louis Cardinals world series a distinct possibility.

Mention of such a pairing would have prompted loud hoots and a hurry-up call for the booby wagon two weeks ago. Now the Red Sox are in first place with an unbroken eight - game winning streak and the Cards have surged from last to fifth, only 4½ games out of first, by winning their last seven straight.

The Red Sox moved into the American league lead yesterday, while enjoying an open date, on the strength of Chicago's 6-4 victory over the New York Yankees.

Boston's Braves became the new National league pace setter, while watching the rain wash out their scheduled game in Cincinati, because New York fell before Pittsburgh, 12-2. But while the Braves, Dodgers, Giants and Cubs have been shutting in and out of first place, all hands have been concious of the Cards' rush toward the top.

Tiger Player Named For Hollywood Game

By virtue of his nomination to the CIF all-star team, B. H. Wolfe, Chaffey Tiger outfielder, is eligible to play tomorrow at Gilmore field, Hollywood, against a picked aggregation of Los Angeles high school players.

One member of the team will be picked to participate in the "Brooklyn vs. the World" boys game at Ebbets field.

Basketball Loop

The Upland All-Stars make their bow in the Ontario city recreation basketball league tonight at the Chaffey gym, meeting the O'Hares at 8:30.

Tonight's contest initiates play in the ten week program, with tilts slated on Tuesday, Wednesday and Friday of each week. In the curtain raiser this evening, the Seagram five meets the Phonies at 7.

Ten teams have so far entered the four leagues, according to Harvey Shirk and Al Smith, directors.

Studebaker, Nicholson, Parkin and Nelson (the last three clubs named for their captains) are in the open division. In Class AA are Seagrams, Phonies, Upland, O'Hares and the Rowsers.

Only A entrants are Nighthawks and Globe Trotters.

Junior college students are eligible in the open class, Smith explained. The AA division is restricted to high school juniors and seniors with Class A open to frosh and sophs. The B division, with no entries to date, will be made up of boys up to the ninth grade in school.

Buy Here Saturday!

Every family in Upland, Alta Loma,, Cucamonga and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

McMasters Visit In California On Honeymoon

Mr. and Mrs. William Ebehart, Mt. Wolf, Pennsylvania, announce the marriage of Ida Jane Altland to Ensign Deane McMasters, son of Mrs. Harvey E. McMasters, Upland.

The ceremony was performed June 15 by navy chaplain Peterson in the chapel at the Naval Air station, Quonset point, Rhode Island.

The bride was attired in a white linen dress with white accessories. Her flowers were white orchids. Mrs. William Houser, Lafayette, Rhode Island, attended the bride as maid of honor wearing a pastel blue dress with white accessories and a corsage of white gardenias. Ensign William House, friend of the groom, served as best man.

Immediately following the ceremony a reception was held at the home of Ensign and Mrs. Houser.

For a wedding trip, the couple chose California and are now visiting at Mr. McMasters home, in Camp Baldy. They expect to remain until next Thursday and upon return to the east, they will make their home in East Greenwich, Rhode Island.

The bride is a graduate of Manchester high school, Manchester, Penna., and is a former member of the WAVES. The groom is serving aboard the USS Leyte.

Medico-Dental Building Seen

Prospect of a new medico-dental building in Ontario was seen today following a discussion of the sale of lots on the south west corner of Lemon avenue and F street by the Bethel Congregational church.

At a meeting Wednesday evening, the church went on record as favoring the sale of the lots if the new construction was to be a medical dental building.

No definite plans had been made today however, but it was believed they would be formed within a week. The name of the purchaser of the lots was not given.

Former San Dimas Star Pitches Major League No Hitter

Ewell Blackwell, former Bonita High school star from San Dimas Wednesday pitched the first no-hit no-run game of the 1947 season when the Cincinnati Reds shut out the Boston Braves 5-0.

Blackwell who was a teammate of Glenn Davis through high school handcuffed the Braves completely. Only four Boston players reached first base, all through walks.

After leaving high school Blackwell played with an aircraft company team in San Diego before going to the major leagues.

He is considered one of the best pitching prospects in the major leagues and is currently leading the pitchers in the National League in strikeouts.

Rev. Karl Heilman To Take Pulpit At Methodist Church June 29

Rev. Karl K. Heilman, recently named new pastor of the Upland Methodist church, will take the pulpit for the first time on June 29, according to an announcement made by church officials today.

At that time the congregation of the Upland Presbyterian church will meet with the Methodists for a union service, the joint services to continue throughout July during the vacation of the Presbyterian pastor, Dr. Rufus W. Oakey.

The Rev. Mr. Heilman, formerly pastor of the Spurgeon Memorial Methodist church in Santa Ana, was named to the position at the Southern California conference held in San Diego recently. His appointment follows the resignation of Dr. Samuel Hughes. At the same time, Dr. Hughes was given the chaplaincy at the General hospital in Los Angeles.

Guest speaker for services this Sunday will be Dr. P. L. Curtis, of Claremont.

Baptist Church To Open Bible School

The Rev. Don P. Hathcock, pastor of the First Baptist church, Upland, is announcing the opening of a vacation Bible school on June 23. The program will last two weeks, concluding on July 4. All children from four to 16 are invited to attend.

Adequacy of Christ To Be Sermon

"The Adequacy of Christ" will be the topic of an address by the pastor, the Rev. W. H. Burton, at the Sunday morning services of the First Church of the Nazarene, 10:50 o'clock. A vocal duet by Mr. and Mrs. Orville Sheets will be given.

JAPANESE NOW HAVE BISHOP

(U. S. Army Signal Corps Photo)

The Nippon Sei Kokwai, the Anglican church in Japan, has its first postwar presiding bishop, the Rt. Rev. Todomu Sugai (center), who was a solitary prisoner in a dungeon during part of the war for defying the secret police and refusing to join the state-sponsored Union church.

Kansas Male Quartet To Sing At Brethren in Christ Church

The Rev. C. R. Heisey has announced "Espoused to One Husband" as the topic for his Sunday morning address at the Brethren in Christ church, 11 o'clock.

Plans are now being made, according to the Rev. Mr. Heisey, for the appearance of a male quartet from Hesston college, Hesston, Kansas, on the following Friday evening, 7:30 o'clock.

The vocal group, which is noted for its renditions of sacred music, has made many appearances in other churches and been well-received everywhere.

It will present at the Upland Brethren in Christ church some of its best religious selections.

BIG LET DOWN FOR TRUCK OPERATOR

Rockford, Ill.—(AP) — George Pellant, owner of a tractor-trailer unit, had tire trouble and left his tractor, supported on a 12-ton jack, on a Rockford street while he called a tire service shop.

When the repairman arrived, he found the truck on its rims and the jack gone.

Hymn Writer To Speak

The Rev. Phil Kerr, Youth for Christ director and composer of many hymns, will be the guest speaker at the First Free Methodist church, South Euclid at Park street, Sunday morning, 10:50 a.m.

Rev. Kerr has spent several years conducting radio programs and religious song festivals. He has appeared at the First Free Methodist church on previous occasions.

Church Meetings Will Continue

Continuing revival services which started this week at the Upland Four Square church, Evangelist Wesley Moore will speak Saturday evening, 7:30 o'clock, on the subject, "Seven Steps of Faith." A special prayer will be offered for the sick.

Sunday evening, the speaker's subject will be the "World's Greatest Excuse." On Wednesday evening, Mr. and Mrs. W. K. Staniford will again give eye-graphic Bible instruction with colored slides, the second Wednesday evening program in a series of six.

BERLIN CAFE DINERS MUST RENT CUTLERY

BERLIN—(AP)—An old and distinguished restaurant in the heart of Berlin, where soce of Germany's important politicians of the imperial days used to gather, recently re-opened its doors.

A hundred pairs of its fine old knives and forks were laid out for the occasion.

That was a mistake in these days when knives and forks are virtually impossible to buy in Berlin. The guests took them all.

Now if you watn to dine in that restaurant you must make a deposit of 50 marks for the use of a knife and fork.

Mrs. Salzman to Bring Message This Sunday

In the absence of the minister, the Rev. Earl Salzman, Mrs. Salzman will bring the message for Sunday morning services at the First Mennonite church. Her theme will be the "Power of Great Ideas."

Christian Endeavor societies will meet as usual at 7 p.m., but no evening preaching services will be held.

Bible School Ends First Week Session

With an average daily attendance of 108 students, the Vacation Bible school at the church of Christ closed its first week Friday.

The enrollment has reached 137, according to the minister, Marvin R. Tate, and more are expected to come during the next week. The theme of the school this year is "Blessings in Obedience."

Rev. Toomey To Speak At Bethel Church

Guest speaker for services at the Bethel Congregational church, Ontario, this Sunday will be the Rev. John Barron Toomey, Claremont, former pastor of the church.

The Rev. Mr. Toomey will speak at 11 a.m. services on the topic "The Wrestler from Ephesus." Music for the service will be the anthem "Prayer," by Chadwick, sung by the Bethel choir. Bette Boggs, soprano soloist, will sing "O Divine Redeemer."

To Universe

"Is the Universe, Including Man, Evolved by Atomic Force?" This question will be the subject of the Sunday lesson-sermon at the Christian Science church, Ontario, for Sunday morning services at 11 o'clock.

Delay Election For Annexation

(Continued from Page One)

heaviest taxpayers in the city" and they feel they are already burdened enough, he said.

Declaring that "I'll fight this election as long as my money lasts," Mr. Cable said that it would be a hardship for him to come inside the city now and pay taxes on his property. He also questioned the legality of the election if it were called as proposed by the original petition.

"I'd like to see every water user a resident of Upland, "Mayor Eugene G. Nisbet said, declaring that he favored a petition which would ask for just such an election.

Low Bid

The bid for 577 feet of eight inch sewer line and 340 feet of six inch line was given to Howard Dean, Ontario, who had the lowest bid, subject to the approval of the city manager. Mr. Dean quoted a price of $3,080.

The council agreed to terminate the employment of the caretaker at San Antonio park and turn over the house he now occupies there to Lewis R. Fuller, recreational director, who is in charge of all parks owned by the city.

Agreeing to sponsor the Upland police and police reserves softball team, the council voted $100 for jerseys and caps. The police are entered in the city's class "B" league.

Raise Insurance

The city manager was empowered to increase the insurance on the city hall annex to $6,000. A public liability insurance policy which covers councilmen, city employes and possible suits against the city was given to the Draper-Walton Insurance agency. Cost to the city will be $792.50 a year.

The council ruled that in the future the city will install lateral lines to sewers in new subdivisions, with the subdivider putting in the main line.

Want Alley

The city manager and city attorney were instructed to determine the cost of putting the strip between homes on Euclid avenue and First avenue above Eleventh street into the paving district. Nine residents petitioned the council for an alley, eight of them having already paid the estimated cost. One person is against paying for the work.

The appointment of a member for the planning commission was postponed again, pending further investigation by council members.

First reading of the new subdivision ordinance making it possible in special cases to sell property of three lots or less was passed. The council will rule on each individual request separately.

Whiskered Men Dominate City Of Eugene

(Continued from Page One)

the popular book. Two operators, using an old residence, handled the neighborhood calls and conversed freely with those on the line when opportunity arose.

As far as I could hear no babies were born and no divorces were reported but several families had visitors, a neighbor's car was stalled and a tow car was needed and one party was persistent in calling an attorney. One operator surmised a neighborhood squabble needed attention.

Airports are frequent and so are local radio stations. The air-minded member of the family spots every airport. We were up this morning and Oregon's beautiful landscape and the green-covered hills provided an awe-inspiring panoramic view. The ex-army pilot-nephew was at the controls.

One of the spots we are visiting here is our honeymoon cottage of 21 years ago.

CARD OF THANKS

We wish to express our heartfelt gratitude to our friends for their many acts of kindness at the time of our bereavement, and for the beautiful flowers sent in tribute to the memory of our husband and father, L. W. Wimberly.
